Revenue Department, Bangalore.

SIR,

With reference to your letter No. L.1574, Medical 15-21-2, dated 17th September 1921, I have the honour to forward herewith fresh resolution of the District Board in the matter of raising the pay of the watermen of the several Local Fund Dispensaries in the Mysore District from Rs.3/- to Rs.6/- The resolutions of the several Municipalities in the matter are also herein enclosed.

The duties expected of these watermen are the same all over the State and they are expected to be present in their dispensaries during the working hours both morning and evening. While every Waterman satisfies the conditions (1) and (2) appended to Art. 107 (b) of the Mysore Account Code, yet those who draw less than Rs.4 are debarred from the benefits of the 'permanent addition to pay' according to condition 3 thereof. The present proposal is intended to do away with this anomaly and also to fix a uniform rate of minimum living wages to these poor menials. The equalizing forces associated with general advancement have operated on the economic conditions in rural areas as well and made it as difficult there to secure menials on low rates of pay as in towns.

I

I therefore request very early sanction to the proposal so that provision may accordingly be made in the next year's budget now under preparation.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

From the statement, it may be seen that out of 26 dispensaries in the Mysore District the Watermen attached to five of them viz.,

(1) Old Agrahar Dispensary, Mysore,
(2) Erangere Dispensary, Mysore,
(3) Nazarbad Dispensary, Mysore,
(4) Weavers Line Dispensary, and
(5) Local Fund Dispensary, Melkote

are already in receipt of Rs.6/- each and the Watermen of the remaining 21 dispensaries are in receipt of Rs.5/- each.

Of the increase of rupee one to each of the Watermen of 21 dispensaries, the increase in the case of those of 13 dispensaries viz.,

(1) Local Fund Dispensary, Heggadadevankotte,

Letter No. 182 (D2 Dis.) L.B./22-23 dated 16th Feb.1923 from the President, District Board of Mysore to the Senior Surgeon in Mysore, Bangalore.

****

With reference to your D O. Letter No. C.177 of 21-22 dated the 3rd February 1923 inviting reference to your letter No. C.177-21 dated the 22nd July 1922 in the matter of increasing the pay of the Watermen of the Local Fund Dispensaries, I have the honour to state that at present the District Board are bearing their quota of the cost in the proportion of one third and two thirds in respect of four and nine local fund dispensaries respectively and that the cost of watermen attached to the remaining 13 dispensaries is borne fully by the Board. The rate of pay of the watermen of the four branch dispensaries in the Mysore City and of the Dispensary at Melkote is Rs.6/- each per mensem. The pay of the watermen of the remaining mofussil Local Fund Dispensaries is Rs.5/- per mensem. The total cost according to the above two existing scales come up to Rs.1244/- and due provision has been made therefor in the current year's budget of the District Board of Mysore. This is in accordance with the medical budget received from the District Medical Officer, Mysore. In order to enhance the pay at a uniform rate of Rs.6/- as resolved by the District Board an additional expenditure of Rs.220/- has to be incurred by the District Board in addition to an outlay of Rs.1244/- at the existing rates as detailed above. This additional cost will be met from the provision of Rs.8000 provided for the construction and repairs of Local Fund Dispensaries in the current year's budget.

The District Board are now incurring the full cost of medical charges in respect of Mandya and Maddur Dispensaries. The cost relating to the Dispensary at Melkote is debitable to State and District Funds in the proportion of one-third and two-thirds respectively.

In these circumstances the municipal councils of Melkote, Maddur and Mandya are not liable to meet any portion of the pay of Watermen.
